Invitation to the job fair with regional employers

Have you just moved to Germany and are looking for contacts and opportunities to enter the regional job market? The Chamber of Industry and Commerce (IHK) Koblenz, the job center, the district and the city of Bad Kreuznach cordially invite you to the contact fair for immigrants for your professional start.

When?

June 13, 2024
3:00 p.m. to 6:00 p.m

Where?

IHK, John-F.-Kennedy-Str. 13, 55543 Bad Kreuznach

Who?

Regional companies (Bad Kreuznach and the surrounding area) from different sectors.

What to expect

You have the opportunity to establish personal contacts with regional companies that are looking for skilled workers. Find out more about entry opportunities, what employers can offer you and how the application process works.

You are welcome to bring your documents (CV, certificates, etc.) in German or English, but this is not a must.

The companies are happy if you already use your knowledge of German, but if possible have multilingual employees with them. In addition, there are translators at the fair to support you in communication if necessary.

As part of the contact fair, there is the opportunity to do an initial check for the recognition of your professional qualifications in Germany. Ideally, you should already have your documents with you.

Participation is free of charge for you.
